

## How to Download the CanPay App

- 1) Open your internet browser in your phone
- 2) Go to [www.CanPayApp.com](http://www.CanPayApp.com) (make sure you include "www." at the beginning)
- 3) Follow the onscreen instructions to Add the CanPay App Icon to your Home Screen (Onscreen instructions are slightly different for iOS, Android, and Windows phones)

- 4) Return to your Home Screen and find the CanPay App Icon

## How to Sign-up For CanPay

Before you begin, have the following items ready:

- Your checking account number and bank ACH routing number
- Your drivers license number

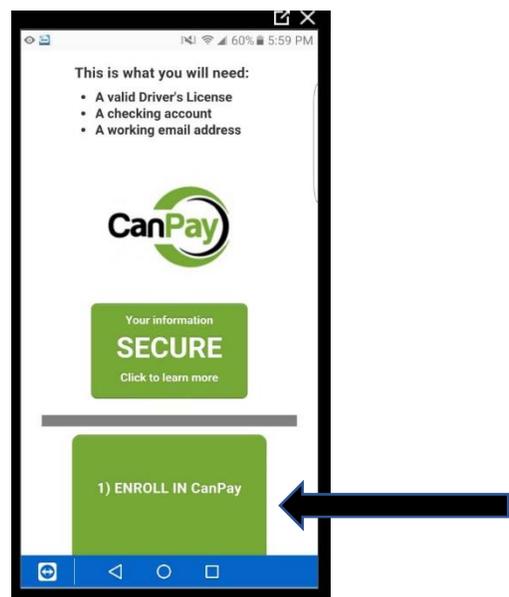

If signing-up through the **CanPay App** (skip to page 5 if you would prefer to sign-up via the CanPay website):

1) **Open the CanPay App by selecting the icon from your Home Screen** (see How to Download the CanPay App if you do not already have it on your phone)

2) **Select “CREATE or MANAGE ACCOUNT” from the login page**

3) **Scroll until you see “1) ENROLL IN CanPay” and select it to open a secure enrollment page**

4) Complete all information fields and then select “NEXT” button at bottom of the page

The form contains the following fields: Middle Initial, Last Name, Street Address, Apt/Unit Number, City, State (dropdown), Zip Code, Phone Number (###-###-####), Mobile Phone Number (###-###-####), Email Address, Reenter Email Address, Driver License Number, State Issued (dropdown), Birthdate (MM/DD/YYYY), and Last 4 digits of your SSN or SIN. A green "Next" button with a right-pointing arrow is located at the bottom right of the form. A large black arrow points from the right towards the "Next" button. The Android navigation bar is visible at the bottom.

5) Enter your bank account information and click “Next”

A screenshot of a mobile application form titled "Enrollment". At the top, it says "Enrollment" with a menu icon. Below is a "YOUR NAME" section with a "1234 Street Name" and "New York, NY 10001" address. A "SAMPLE" watermark is overlaid on this section. Below the name section are three columns: "Routing #" (with a note: "The Bank Routing number is the 9 digit number between the 4 & 5 symbols"), "Account #" (with a note: "The Checking Account number is usually the last 8 of the 17 symbols"), and "Check #" (with a note: "DO NOT include"). A "NOTE" states: "NOTE: Checks vary. These sets of numbers may not be in the same order on your check." Below this is a paragraph: "Use the image on the left to guide you in entering the bank routing number and checking account number information in the fields below it." Another paragraph in red text says: "Do not use a savings account or a prepaid debit checking account." Below that is a section "About your banking information" with three input fields: "Routing Number", "Account Number", and "Re-enter Account Number". At the bottom are "Back" and "Next" buttons. A large black arrow points from the right towards the "Next" button. The Android navigation bar is visible at the bottom.

- 6) **Complete your Enrollment by creating a 4-digit PIN (used to login to your CanPay App and account) along with a security question and answer.**
  - a. **Make sure that you select the checkbox next to the word “Authorization”**
  - b. **Select “Submit” and you will be redirected to an account status message screen**

## 7) CanPay Account Status Message Screen

- a. **Upon submission, your information is run through an insta-verify process. If all of your data can be verified instantly, you will receive a message that indicates your account is active and ready to use. You can begin shopping with CanPay immediately.**
- b. **If your bank account information could not be verified for some reason, you will receive a message stating that a micro-deposit has been sent to your bank account and will arrive in 48 hours. You will also receive an email with further instructions on how to verify the deposit once it arrives in your checking account. You will not be able to use your CanPay account until that verification process has completed.**
- c. **If your personal information cannot be verified (i.e. your home address) you will receive a message screen indicating this and instructions on how to submit your drivers license, the first page of a utility bill, or the first page of a bank statement with your current information on it. Once you do, your account will be activated and you will receive email confirmation.**
